Professional Experience

2002–present President, Tom Wolff & Associates

Training, Consultation, Community Development, Organizational Consultation, Facilitation, and Evaluation. Full description at <http://www.tomwolff.com> .
Services provided for a wide variety of clients across the U.S. and North America including: government (local, state, federal), foundations, professional

associations, non-profits, businesses, health and human service providers, mental health systems, public health systems, and grassroots groups.

1994– 2002 Founder, Healthy Communities Massachusetts (HCM)

This is a statewide network aimed at supporting community development efforts that build healthy communities in towns and cities across the Commonwealth. HCM projects include an HCM newsletter, work on the Attorney General's Guidelines for Community Benefits for Hospitals and HMOs, and development of the HCM Institute, training community teams in the principles of community development. HCM is funded by: The Boston Foundation, the Department of Public Health, WellChild Foundation, the Toxics Use Reduction Institute, the Department of Health and Human Services, and Blue Cross/Blue Shield.

1994–present Community Tool Box consultant and contributor

Resource person on Community Development and Coalition-Building with the University of Kansas Work Group on Health Promotion and Community Development (<http://www.ctb.lsi.ukans.edu>).

1996–present Consultation and Technical Assistance for the Institute for Community Peace

Formerly the National Funding Collaborative on Violence Prevention. Specific technical assistance to sites in: Washington, D.C.; Santa Barbara, CA; Rockford, IL; and East Tennessee.

1977–2002 Private practice: Consultation

Training, Consultation, Community Development, Organizational Consultation, Facilitation, and Evaluation. Services provided for a wide variety of clients across the U.S. and North America including: government (local, state, federal), foundations, professional associations, non-profits, businesses, health and human service providers, mental health systems, public health systems, and grassroots groups.

1985–2002 Director of Community Development, Area Health Education Centers, University of Massachusetts Medical Center

Responsible for development and implementation of local Health and Human Service Coalition in areas of high need in Massachusetts-Athol/Orange, Northern Berkshire, and Cape Cod. Supervise coalition staff, start coalitions, obtain funding, work with state and local government officials, evaluate programs, link to appropriate federal, state and local organizations.

1990–2002 Director, AHEC Community Partners

Created and directed organization that develops community programming in Massachusetts, with 16 employees and a budget of over \$1 million.

1996–2002 Principal investigator, Healthy Connections and Moving Beyond Enrollment

- A federally funded initiative out of the Office of Rural Health Policy. Supported innovative community outreach program in three communities to increase health access for those in need. Principal investigator, Healthy Connections, 1996–1999. Principal investigator, Moving Beyond Enrollment, 1999–2002.
- 1998–2002 Project supervisor, Health Access Networks
- Funded by the Division of Medical Assistance at the University of Massachusetts Medical School. This project provided six network meetings across the Commonwealth to bring all those concerned with health access for children and families together to exchange information, review policy, and maximize the capacity to enroll children.
- 1975–2001 Private Practice Psychotherapy and Consultation, Amherst, Massachusetts
- 1996–1999 Community-Based Community Development Curriculum, The Boston Foundation
- Curriculum developer and trainer for the Boston Persistent Poverty Project of The Boston Foundation.
- 1996–1998 Coordinator for Public Policy Forum for Partners for Public Health
- A Community Based Public Health Initiative funded by the W. K. Kellogg Foundation.
- 1995–1997 Principal investigator, Healthy Communities/Healthy Schools.
- This School-Linked Services project, funded by the Massachusetts Executive Office of Education, created partnerships between parents, schools, and community-based agencies in communities across Massachusetts. Technical assistance was provided by AHEC/Community Partners.
- 1990–1996 Principal investigator, Community Partners project
- Funded by the W. K. Kellogg Foundation to implement, disseminate, and evaluate a technical assistance model of coalition development in ten communities across Massachusetts.
- 1995 Collaborator on US AID project working to develop a citizens' academy in Russia focusing on community development issues. Hosted Russian activists for tour of Massachusetts.
- 1981–1990 Special consultant to Mayor, City of Northampton, Massachusetts
- 1981–1990 Chair, Mayor's Task Force on Deinstitutionalization, Northampton, Massachusetts
- 1987–1990 Consultant, Early Intervention Task Force, City of Northampton, Massachusetts
- 1985–1987 Principal Investigator, "National Technology Transfer Project
- Promoting the implementation of effective primary prevention programs at the community level"

- 1981–1982 Director, Outpatient Clinic, Franklin/Hampshire Community Mental Health Center, Northampton, Massachusetts
- 1977–1981 Director, Consultation and Education (C&E), Franklin/Hampshire Community Mental Health Center, Northampton, Massachusetts

Academic Experience

- 1983–1985; 1995–present Adjunct Assistant Professor, Division of Public Health, School of Health Sciences, University of Massachusetts, Amherst, Massachusetts
- May 1989–July 2002 Associate in Family Medicine and Community Health, the University of Massachusetts Medical School, Worcester, Massachusetts
- Jan. 1984–1988 Visiting Scholar, Stone Center, Wellesley College, Wellesley, Massachusetts
